

## Join the Ballad Health team at Johnston Memorial Hospital in beautiful Abingdon, Virginia!

We're seeking a board-certified, core faculty physician to join our Dr. S. Hughes Melton Family Medicine Residency Program. This physician will teach residents and medical students while also overseeing advanced practice practitioners.

Our ideal candidate is a full-spectrum practitioner who must be board certified/board eligible with training in full-scope family medicine. Physician must have a strong commitment to graduate medical education and enjoy providing patient care in different settings.

### **We offer:**

- Competitive annual salary
- Generous sign-on bonus
- Educational loan assistance
- Paid time off
- Full benefits
- CME reimbursement
- Retention bonus program

Abingdon is a gorgeous community nestled in the Blue Ridge Mountains with easy access to world-class hiking, biking, fishing and boating. This part of Southwest Virginia offers four distinct seasons, easy access to a regional airport, arts, entertainment and a variety of 5-star restaurants.
